

## Alexandria Gazette

TUESDAY EVENING, DECEMBER 4

## LOCAL MATTERS

For this section fair weather, stationary temperature, westerly winds.

**PERSONAL.**—Bishop Keane, formerly of Richmond, and rector of the new Catholic University at Washington, arrived at Rome yesterday.

Mr. C. C. Bittling, jr., son of Rev. C. C. Bittling, formerly of this city, is now a successful attorney at law of Kansas. On the 2nd of November last he was elected Commonwealth's Attorney for the county of Jackson, Kansas, with a majority of over 1000.

The Rev. Dr. John S. Lindsay, formerly of Warrenton, and now of St. John's Church, Bridgeport, Conn., has received, it is said, a call to Trinity Church, New Orleans, recently vacated by the Rev. Dr. Randolph H. McKim, who has accepted the rectoryship of the Church of the Epiphany, Washington. Trinity Church is the largest in New Orleans, and one of the largest in the United States, the communicants numbering over 1000.

Prof. Chas. F. Nash arrived here on Sunday from Oswego, N. Y. Mrs. Matilda E. Sykes, of Haymarket, is visiting friends on Lee street. Mrs. S. was formerly resident of this place and remembers many interesting incidents in the life of our old town. Though now able to boast the years of an octogenarian she has only gathered the ripe fruits of age and none of its infirmities.

Rev. L. R. Dyott left here this morning to attend the annual session of the Grand Lodge of the Independent Order of Good Templars which convenes at Marion, Va., tonight, and will continue the remainder of the week. Mr. Dyott represents Golden Light Lodge, of this city.

Mrs. Ketchum and children have just returned from the country where they spent Thanksgiving with relatives.

**FIRE.**—The alarm of fire about 6:30 o'clock last night was caused by the partial burning of the rear part of the frame house on the west side of Pitt street, between Pine and Duke. The house was owned by the Granberry Griffith estate and occupied by Mr. Frank Summers. The fire, it is supposed, caught from the stove in the kitchen during the absence of Mr. Summers' family from the house. The damage by fire and water is estimated at about \$175. There is no insurance. Soon after the flames were extinguished a water battle occurred between members of the two engine companies which at one time threatened to result seriously. Much excitement ensued, and numbers of persons who had gathered in the neighborhood were thoroughly drenched with water. Those engaged seemed not to wish to stop the fighting, and no one on the ground appeared to have the authority to stop them. The action of all concerned is severely criticized. About an hour after the fire the flames broke out again and caused another alarm, but a hose carriage and sections of hose were sent to the house and the fire soon extinguished.

There was a false alarm of fire shortly before 7 o'clock this morning, but no one seems to know the cause.

**COUNTY COURT.**—Judge D. M. Chichester presiding.—Yesterday's proceedings.—Com. vs. Robt. Webb; house breaking; verdict guilty and sentenced to the penitentiary for eight years.

Com. vs. Charles Upshaw; malicious cutting; jury called and case to progress.

Today's proceedings.—Com. vs. Charles Upshaw; verdict, guilty of unlawful cutting and sentenced to the penitentiary for one year.

Com. vs. Robert Holtzman, charged with selling liquors on Sunday; jury, verdict guilty and fined \$10 and costs.

Com. vs. John Hall, confined in jail for failure to give bond to keep the peace, prisoner brought before the court, on a writ of habeas corpus, and released during good behavior.

W. J. Dyer vs. Henry L. Willson; on attachment; execution ordered.

The court entered an order releasing a deed of trust from S. B. C. Smith and Rudolph Buckler to Albert Stuart, trustee.

J. S. Embury vs. Hutchins; attachment; order to sell property in thirty days entered. The court adjourned until court in course.

Thos. Y. M. C. A.—A meeting of the board of directors of the Y. M. C. A. was held last night at which Mr. W. L. Hatch was invited to take the general secretaryship of the association of this city. Mr. Hatch is a young Englishman, unmarried, a trained worker, and lately engaged in association work in Richmond. While it is not known that he will accept the position offered him here, it can be stated that he prefers Virginia to any other State. Should he decide to accept the position, Mr. Hatch would next week take up the work and then there would be a bright promise of a new era of prosperity for the association. Meanwhile the rooms on King street will be kept open by members of the board. Mr. H. O. Williams, State Secretary of the Association, was present at the meeting.

**THE SHIP YARD.**—The work of repairing the large ways at the ship yard, which were damaged by fire in March last, has been finished and they are now ready for use. The steamer Jane Mosely went to the yard today for repairs and will at once be hauled out on the ways for a thorough overhauling. As soon as the Mosely is launched other steamers will be hauled out for repairs. The rebuilding of these ways is of much importance to the city and it is hoped Messrs. Agnew & Co. will secure a full share of the repair work done on the steamers and vessels that ply on the river.

**POLICE REPORT.**—Last night was clear and cool with five lodgers and one prisoner at the station house.

The only case before the Mayor this morning was that of a resident of the county, arrested by officer Brenner for being drunk and disorderly. He was fined \$1.50.

Wm. Chambers, colored, is still held at the station house for the non-payment of a fine of \$20 imposed for carrying concealed weapons, and unless the fine is paid to-day he will be sent to jail.

**SALE POSTPONED.**—The sale of the property of the Columbia Brick Company, situated between this city and Washington, advertised in the GAZETTE to be made by the receiver, Mr. M. B. Harlow, to-day, was postponed till the 18th inst. It is understood that this postponement was agreed upon by all parties concerned, and that the company hope to be able to settle all of their indebtedness before the above mentioned date and thus prevent a sale.

**MEETINGS CLOSED.**—The union meetings inaugurated by the ministers of several of the churches of this city a few weeks ago, and which for some time were conducted by Mr. Yatman, the evangelist, were closed last night, after services at the First Presbyterian Church. The meetings, it is said, have been conducive of much good and were generally well attended. Mr. Yatman, who is still in ill health, left to-day for his home in Newark, N. J.

**SALE.**—The case of Mrs. Laprad against Chas. Richmond and Danville Railroad Company for \$10,000 damages, is set for to-day in Circuit Court at Chatham. Mrs. Laprad's daughter was run over and killed by a freight train at a picnic at D. Y. Fork last summer. After she was injured she was carried to the Home for the Sick in Danville, where she died.

**LEE CAMP.**—The regular monthly meeting of Lee Camp Confederate Veterans was held last night. After the transaction of some routine business, Mr. Aleck Hunter, by special invitation, entertained the Camp in a highly interesting manner, giving an account of his three escapes from federal prisons during the war.

**OPERA HOUSE.**—On next Friday and Saturday, "Thrown Upon the World," a powerful melodrama, will be given at this popular place of amusement. The play is founded on Chas. Reade's absorbingly interesting novel, "It is never too late to mend." A special matinee for ladies and children will be given on Saturday.

## LOCAL BREVITIES.

Messrs. Kelly & Carr say that the report that they had purchased the Naglee farm, near Occoquan, is incorrect.

An advertisement of a lost pocketbook, which was published in the GAZETTE yesterday, led to the recovery of the same before 9 o'clock this morning.

A gentleman from Wisconsin who has just sold his farm on account of the severity and length of the winter in that State, was in this city to-day on the lookout for a farm in this vicinity.

Mr. W. L. Pierce, cashier in the freight office of the Virginia Midland railroad in Lynchburg, has been appointed ticket agent in that place, vice Mr. O. D. Wilson, who has been transferred to this city.

This morning dawned cloudy and raw, and about 8 o'clock there was a slight fall of snow. Later the skies cleared and the sun shone brightly but the temperature continued cool.

A colored man named Manley was arrested and locked up by officer Hayes to-day for drawing a pistol on Mr. Douglas Sanders, on north Fairfax street.

Thieves broke into the yard of the Jewish Synagogue a few nights since, tore down the fencing and did other damage.

Mr. John Oakley, a well known ship carpenter, died at his home in the First ward to-day.
